Taphole configuration : No tapholes

Washbasin capacity (l) : 0

TECHNICAL DRAWINGS

COMPATIBLE WITH

Open waste valve with
SaphirKeramik cover

H898188...0001

VAL

The extraordinary design potential of LAUFEN's revolutionary SaphirKeramik reveals itself in the new bathroom collection Val, designed for the Swiss bathroom specialist by star designer Konstantin Grcic from Munich. Simple architectural lines, extremely narrow edges and fine surface structures make the washbasins of this collection globally unique. The Val range includes washbasins, washbasin bowls, trays, bathtubs and new bathroom furniture from the Space collection.
